Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I strongly object to the pro-
posal at hand. Once again, your
agency is acting in a manner contrary
to the interests of the consumer and in
favor of the pharmaceutical companies. I have
had excellent relief from my compounded
medication. I expect and demand from the
FDA the right to and protection to continue
taking this type of medication. It is
known as freedom of choice.
